AND SAFETY MEASURES
AMID COVID-19.**

**USERS CAN ACCESS FUNDS
FROM THE COMFORT OF
THEIR HOME, IN SECONDS.**

**USERS CAN SHOP
IMMEDIATELY ONLINE
AT MILLIONS OF LOCATIONS
THAT ACCEPT VISA.**

FOR YOUR ORGANIZATION

- Quick launch window
- Easily distribute alongside other incentives
- Deliver flexible incentives to all your customers via email
- Allow customers to receive an incentive in-store, for use online
- Load the virtual card with any denomination

FOR YOUR CUSTOMERS

- Funds are protected and secure, even if the card is lost or stolen
- Cardholders can print the vouchers on home PC
- Same limits as Standard Physical cards
- Elevated Security Features for cardholders

THE VIRTUAL PROCESS

With no physical cards to mail, payments can be sent to any number of recipients in seconds:

STEP 1: User receives an email

STEP 2: User logs in to view their card, balance and more

STEP 3: User spends their funds online quickly and easily, no need to leave their home

STEP 4: Users can also download the TruCash Wallet App (right from the portal) to load their card into the app for bill payments, interac transfers, account management and more while on the go.

BENEFITS

THE PERFECT GIFT EVERY TIME
Our cards can be used at millions of merchants worldwide.

STREAMLINE PROCESSES
Card funds are distributed electronically. Information is easily tracked, providing accurate records with less effort.

QUICK AND EASY TO USE
Funds can be loaded quickly at any time allowing card holders instant access to funds.

ADVANCED REPORTING
Real-time monitoring and reporting provides insight into cardholder trends.

COST EFFECTIVE
Payments are effortless, streamlined and cost less than cheques and vouchers.

ONLINE AND MOBILE ACCESS
Online digital platform + mobile app allows access to balance and transaction history, anywhere in the world.
